
Fortum on NC FCA

Petri Eväsoja

Nordic Market needs to be developed, central european tools a catastrophe!

- Nordic Market is a success, players, regulators, TSOs and exchanges have built it together for many years
- A common discussion and will to create a well functioning market has paid off
- Now it is time for discussion

- Investments in new interconnectors needed
- TSOs need to agree where to invest in Nordics
- TSOs needs to look for bigger priceareas outside of own borders
