

NAET on NC FCA

Petri Eväsoja
Chairman

Nordic Market Today

- Nordic market well developed and transparent
- This has been done together with Players, Regulators, TSOs and Exchanges
- Liquidity is acceptable in SYS and EPAD, could be better in SYS and NO Epads
- No need to introduce LTTRs

Actions to support Nordic Market

- Secure a Nordic solution in the NC FCA
- A Nordic Grid investment plan needed and carried out
- Larger priceareas over borders
- More transparent and open TSO capacity handling
